Preparing You Before They Do.

WELCOME!

I’m Frances.

And I’m gonna help you out in exchange for a testimonial!

Pretty good deal, right?

Agenda

- 1 month prep with 4 sessions
  - 1-2 hour session per week
- You will be assigned mini-tasks to complete by the next session
  - These mini-tasks are just recommendations (not mandatory)

Apps You'll Need

- VSee
  - A low latency video conferencing app for all platforms
- Screenhero
  - Great way for me to help you out with your dev environment
  - You'll get an email invite from me

THE PROCESS IS EASY

Session 1 - Week 1

Session 2 - Week 2

Session 3 - Week 3

Session 4 - Week 4

1st Session

1. Your Goals & Where You Stand
2. Virtual Presence
3. Staying Cool & Keeping Busy

2nd Session

1. Setting up your dev environment for Sublime Text 3 & spicing up your Terminal
2. Exploring awesome OS X apps and plugins
3. Bookmarking useful websites & Chrome extension essentials

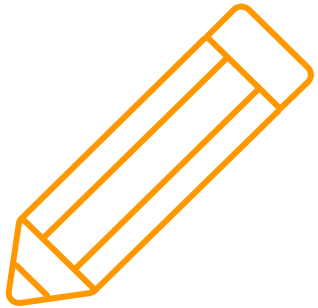
3rd Session

1. Do you git GitHub?
2. Overview of the MEAN stack
3. Exploring frameworks, libraries, etc.

4th Session

1. Interviews & the Whiteboard
2. Design & Presentation
3. While You’re There

Feedback



After we're all done with the 4 sessions, I'd like you to leave a testimonial on my website. I really love feedback because it allows for faster improvement.
